

Fresno Unified School District  
 Preparing Career Ready Graduates

# Biomedicine

## Freshman Elective: *Principles of Biomedical Science*

Students in this pathway will have access to work based learning experiences such as:

- Guest Speakers
- Industry Site Visits
- Peer Mentoring
- Internships and Apprenticeships
- Career-Oriented Competitions

### RIGOROUS ACADEMICS

Students will develop an awareness of the various careers available and the role of post-secondary education in their field.

### DEMANDING CAREER COURSES

Students will explore career options and post-secondary requirements needed to transition into successful employment.

### WORK BASED LEARNING

Students will apply learning through practical experience that develops their knowledge and skills in their pathway.

### INTEGRATED STUDENT SUPPORTS

Students will train for employment and/or prepare to enroll in pathway related post-secondary courses.
